

I AM A VETERAN.

# MY VICTORY IS HEALING THE HURT TO HELP OTHER VETERANS.

In Iraq, Latoya Lucas's vehicle was hit by a rocket-propelled grenade. She suffered severe physical and emotional wounds. Day by day, her resilience and perseverance pulled her through. Today, Latoya works to help other veterans. She knows if her story can touch a heart, it can change a life. DAV helps veterans like Latoya to find victories — helping more than a million veterans each year in life-changing ways. **Support more Victories for Veterans® [GO TO DAV.ORG.](https://www.dav.org)**
