

I AM A VETERAN.

MY VICTORY IS CREATING BEAUTY FROM BLINDNESS.

While serving in Vietnam, a grenade took Michael Naranjo's eyesight. His fingers became his way of seeing. Starting with a lump of clay, Michael learned to create objects of beauty. Today, he is a successful sculptor. DAV helps veterans like Michael to pursue a better future and find victories. Each year, DAV helps veterans get the benefits they've earned — helping more than a million veterans each year in life-changing ways. **Support more Victories for Veterans®** [GO TO DAV.ORG.](https://www.dav.org)
