

OUR MOM IS A VETERAN. HER VICTORY IS GETTING HER JOY BACK.

After injuring her leg in a military training accident, Sandi Braunstein spent **nine years trying to heal**. Seven surgeries later, doctors finally removed her leg. Through all the ups and downs, DAV was there to help Sandi's family. Today, she's an active mom who loves playing soccer with her kids. Thanks to DAV, Sandi got her life back. And her kids got their mom back. Every year, DAV helps more than a million veterans like Sandi get the life-changing support and benefits they've earned. **Support more Victories for Veterans® at [DAV.org](https://www.dav.org).**
